

Executive Education Fellowship Application Questions

1. The UCLA Executive Program is designed for leaders who have experience directing functional areas or managing people or projects. Please briefly describe your experience as a manager.
2. The UCLA Executive Program is designed for individuals with experience in identifying and working through leadership challenges and opportunities faced by managers in corporate, public sector, entrepreneurial or non-profit environments. Describe the sector or sectors in which you have management experience.
3. Describe one leadership challenge and response that you feel illustrates your leadership style well.
4. Please describe leadership roles you have taken on outside your regular job duties, at UCLA, or in your community (e.g., campus task forces, campus governance, or external religious or charitable organizations).
5. Please describe how you expect the opportunity to participate in the Executive Program would benefit you personally.
6. Please describe how you expect your participation in the Executive Program would benefit UCLA, including how you would apply what you learned after the program.

(Your answers to these items may be as long as you like; no character-count limit has been set in the system.)
